

DEVON LPC EXPENSES POLICY

With effect from 1st October 2021

PRINCIPLES

- All expense claims must be prearranged, wholly for the LPC and be LPC business, necessary and exclusively for the LPC benefit. Members expenses will be declared to contractors in the LPC Annual Report
- Committee members and employees should not be out of pocket whilst acting for or on behalf of the Local Pharmaceutical Committee.

1. INTRODUCTION

This document sets out in detail the Devon LPC expenses policy.

The LPC will reimburse members and employees for reasonable business expenses incurred on the LPC's behalf whilst they are engaged in authorised business or training activities provided they fall within the limits set by this policy. LPC members are subject to Inland Revenue rules and guidelines as to what is allowable as a business expense. It is therefore important that all claims adhere strictly to the policy.

Expenses defined as 'reasonable' are those that are cost effective when weighed against the purpose of the business activity. Members are responsible for the settlement of any business expenses incurred and for reclaiming these costs through the process set out in this document. Any breach of this policy will be referred to the LPC Finance Sub Committee for consideration under the LPC's Accountability Framework.

2. EXPENSES
