

Community Pharmacy Devon (CPD) Awards 2025

Community Pharmacy Devon (CPD) is pleased to announce the CPD 2025 Awards to celebrate the fantastic work that community pharmacy contractors and their teams do to improve the health and wellbeing of the people of Devon.

The purpose of this event is to provide an opportunity for contractors and their teams to showcase examples of outstanding professional performance from those working in, and with, community pharmacy.

The Committee is eager to formally recognize and celebrate the very positive contribution that community pharmacy makes to improve the health and wellbeing of patients and customers at a time when the NHS and social care is under increasing pressure and pharmacy takes on a higher profile position as a member of the primary healthcare team.

What and When:

The presentation of awards will be made at the Conference being held at Exeter Race Course, Kennford on 14th September 2025 between 3.45pm and 4.30pm.

Award nominees and their guests, along with other community pharmacy colleagues will be invited to attend to hear of the great work being done and to celebrate the winning entries that have been judged by a select panel.

Nominations are invited from those working in or with community pharmacy across Devon, in one or more of the five categories;
